

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

148 REGULATIONS RESPECTING FOREIGN ORDERS, &c.

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.
Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

the Court at Windsor, the 1st day of March, 1864.

PRESENT,

QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-two, Her Majesty was empowered to avail herself of the services of a certain number of Officers of Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Royal Naval Reserve Act, 1863, chapter twenty-six and twenty-seven Victoria, chapter nine, it is enacted as follows, viz.:—

"It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Ensigns of Ships in the Merchant Service aforesaid, of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Army or Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time think expedient, under and subject to such rules, regulations, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for service or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time think fit; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension

in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

And after the same date no person will be eligible for a Commission as Engineer in the Royal Naval Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commanders, Chief Engineers, Lieutenants, and Sub-Lieutenants.

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 100 in number, and of the ranks named below, viz.:-

(a) Honorary Commanders of the Reserve not exceeding 20 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 5 years, and who are not less than 50 years of age. Honorary Commanders of the Reserve will rank with, but after, Staff Commanders of the Royal Navy.

They will rank with, but after, Chief Engineers of the Royal Navy.

(c) Honorary Lieutenants and Sub-Lieutenants of the Reserve, not exceeding 100 in number, and consisting of:-

(1.) For Honorary Lieutenants; Masters of Vessels actually afloat and in command, and possessing qualifications similar to the qualifications of the Lieutenants on the Active List, except that they must be above 45 years of age, and need not be in possession of Certificates of competency, and

(2.) For Honorary Lieutenants, Owners of engaging pleasure yachts of 50 tons register or upwards, who command and act as Masters of their own yachts, and

(3.) For Honorary Lieutenants; Superintendents of Mercantile Marine Offices who have served as Masters in the Merchant Service; and

Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy; and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been so any time on the Active List.

Promotion.

Officers of the lower rank in the Active List, if qualified, be eligible for promotion to a higher rank on that List, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same rank as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their service, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services, either

- (1) Without rank; or
- (2) On the Honorary List, with the rank they may hold at the time of their retirement; or
- (3) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braid, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants 10s. a-day.

Sub-Lieutenants 7s. a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions

for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of rank, involves the loss of previous time of service in that rank; so also, when sentence of a Court-Martial takes away any seniority from an Officer, it affects his Full and Half-Pay, in cases where the same depend upon seniority: it carries with it the loss of the benefit of the service included in the sentence forfeited, in cases where the Full and Half-Pay depend upon actual service.

6. A knowledge of the Definitions and Axioms of the First Book of Euclid.

Should a Candidate be able to speak French or any other Foreign Living Language, it will be noted in his favour, and as Drawing is a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

7. If the Candidate be found not qualified at his First Examination, he will be allowed a second trial on the next Examination day at the Royal Naval College. Should he not pass this Second Examination, he will be finally rejected.

VI. If the Candidate succeed in passing the required Examination he will be at once appointed to a Training Ship for the purpose of instruction.

VII. Lists of Books, Instruments, Clothing, &c., required while in the Training Ship, will be sent to the successful Candidate.

VIII. Periodical Examinations will be held on board the Training Ship, and if a Cadet be found not to have made sufficient progress, or if, by indifferent conduct or idle habits on board the Training Ship, he shall show his unfitness for the Service, it will be the duty of the Captain to make a Special Report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. After having completed 18 months' instruction, exclusive of vacations, in the Training Ship, a Cadet will have to undergo the final examination. Should he be found qualified he will be granted a Certificate to that effect, and be appointed to a Sea-going Ship. Should he be found not qualified, he will be discharged.

N.B.—In the case of a Candidate nominated to a First Class Cadetship, upon the recommendation of the Secretary of State for the Colonies, as a native of one of the Colonies, he will be Examined in the first instance on board the Senior Officer's Ship on the station, and will then be required to join the Training Ship in England, as in the case of other Cadets. It is, however, to be fully understood that arrangements must be made for his lodging and maintenance during the vacation (6 weeks at Midsummer, and 6 weeks at

Christmas), during which periods he will not be permitted to remain in the Colonies.

MEMORANDUM.

Admiralty, 20th August, 1885.

Candidates for Naval Cadetships will be allowed a second examination, although at the time of such second examination they may exceed the age of 14 years.

MEMORANDUM.

Admiralty, 10th November, 1885.

The non-appearance of a Candidate for a Naval Cadetship of the first or second class, or for an Assistant Cadetship, on the first examination-day after his nomination will be considered as a rejection (except in cases of medically certified ill-health); but the Candidate may present himself on the following examination-day. Should he again not appear, or fail to pass the examination, he will be finally rejected.

NAVAL CADETSHIPS ALLOWED TO FLAG OFFICERS AND CAPTAINS.

Admiralty, May 12th, 1887.

Every Flag Officer on hoisting his Flag shall be allowed two nominations for Naval Cadets.

Every Captain appointed from Half-Pay to command a Ship newly commissioned may nominate a Naval Cadet.

If an Officer, appointed to command a Ship newly commissioned, be an Officer already on Full-Pay abroad, and be transferred from another Ship for which he had already received a nomination, he shall not be entitled to nominate another Cadet, but the nomination shall be given to his successor in the other Ship, provided such successor be an Officer from Half-Pay, or an Officer who, if serving, has not already received a nomination.

The Permanent Harbour Flag Ships at the Ports are to be allowed a nomination for a Cadet every three years, after being paid down and recommissioned, and the nomination shall be given to the Captain then serving.

Captains from Harbour Guard Ships, appointed to sea-going Ships newly commissioned, may be allowed a nomination in the same manner as Officers from Half-Pay, and not otherwise.

No nominations are allowed on commissioning the 'Excellent,' 'Victoria and Albert,' Steam Guard Ships, Training Ships, or Coast Guard Ships.

Admirals superintending Dockyards, and Officers appointed to stationary ships abroad, are not entitled to nominations.

Exceptional cases, not provided for in the foregoing rules, should be referred for the decision of the Board.

Admiralty, 20th February, 1886.

Commanders of the First Class, when not Commanders-in-Chief, to be allowed one nomination.

NAVAL RETIREMENT.

At the Court of Osborne House, Isle of Wight,
the 1st day of August, 1869.

(Present, the Queen's Most Excellent Majesty in Council.)
WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 31st of July, 1869, the words following, viz. :—

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

"Should your Majesty be graciously pleased to sanction these our propositions, we would humbly submit that we be authorized to carry the following alterations and suggestions into effect.

"First, as relates to Captains.

"We would humbly propose that all Captains who have attained, or shall hereafter attain, the age of sixty, without having served in their present rank, be placed on a Retired List, and receive Retired Pay as follows :—

"All Commanders on the Active List, who have not been employed either afloat, in command of Revenue Vessels, in the Coast Guard, or as Mail or Transport Agents, within a period of fifteen years, to be placed on a Retired List, and to receive Retired Pay according to their amount of Sea Service, also on the same scale as hereinafter mentioned; such Officers to be permitted to assume the rank and title of Retired Captain on reaching the age of sixty, but without further addition to their Retired Pay.

"Should your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that your Majesty will authorize us to carry into operation the several arrangements and changes here in contemplated, from such date or dates as we may think fit and expedient.

"In conclusion, we beg leave to represent to your Majesty that the Lords Commissioners of your Majesty's Treasury have sanctioned the additional expenses which will be entailed in carrying out this proposed scheme."

At the Court of Wards,

the 6th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

Witness there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in

Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains.

"1. That the Active List of Captains shall be reduced from 580 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

"If on the 10s. 6d. Half-pay List when retired 18s. per diem.

"If on the 12s. 6d. " " " 20s. "

"If on the 14s. 6d. " " " 22s. "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority

previous. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"4. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time to qualify them for their Active Flags, shall be to the List of Reserved Rear-Admirals.

Officers, and also such Officers as may, under the

Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

"Second, as relates to Commanders.

"5. That the Active List of Commanders be reduced from 460 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years such Officers, and Officers of Greenwich Hospital of a rank, to be permitted to assume the rank and title of Captain on reaching the age of 60 or on attaining 10 years' service on the List of Commanders, and to receive retirement pay on the scale provided for in the said Council, with this difference only, that Officers who future retire shall receive their service in the Coast Guard or Transport Service on shore as half the time served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, corresponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the rank, at which they be willing and desirous to accept.

"12. We would further propose that we

our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

" 13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

" Third, as relates to Lieutenants.

" 14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

" 15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

" 16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Orders in Council under which they were respectively retired.

" 17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of those classes of Officers, there have been and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

" Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDWIN HARRISON.

Admiralty, 2nd April, 1864.

Her Majesty, by Her Order in Council of the 9th March, 1864, having been graciously pleased to sanction the following alterations and amendments in the present system of promotion and retirement in the Royal Navy, as provided by Her Majesty's Orders in Council of 1st August, 1860, and 9th July, 1864, the Lords Commissioners of the Admiralty hereby give notice of the mode in which such arrangements will be carried into effect:

1. Compulsory retirement to be extended to all the Executive List.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 60 years of age, or when physically unfit for service.
5. Flag Officers at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rank and pay to which they are now entitled; but no Flag Officer who has not passed his flag will be considered eligible for the appointment of Vice and

Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42

Total 85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers, at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty, since their promotion to Flag Rank, are to be allowed to retain their places on the Active List if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the ages specified above, whether they have served or not.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service, on the terms of the Order in Council of the 9th of July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if physically unfit for service.

9. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of sixty, whether they have served or not.

10. Captains of sixty years of age, who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the rank and pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

11. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

12. Captains to be allowed to retire on attaining fifty years of age, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

13. The Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age-retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

14. Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

15. Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

16. Time served by Naval officers in future retiring from Civil employments connected with the Navy, which does not entitle them to Civil superannuation, to be allowed to reckon towards increase of half or retired pay, in the proportion of one year for every two served in that capacity. In the case of Captains twelve years served in such Civil capacity will entitle an officer to rise to the higher rate of retired pay of Vice-Admiral and Admiral respectively.

rewards, allowances, salvage awards, and of all botinities and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows, viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say,

When there is but one flag officer he shall have the entire one thirtieth part, when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part, and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers. Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued, by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting

in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain, the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things), that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. All money distributable among the officers and crew of any of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of some official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

Gazette Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

- (2.) Where the payee resides in Ireland, the inspector or sub-inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.
- (3.) Where the payee resides at Sierra Leone, the Commissariat officer there.
- (4.) cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment on that occasion shall be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

19. Every such order shall be drawn on a printed form issued for the purpose, by the Accountant General of the Navy.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife

or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMAINE

And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

Admiralty, 4th June, 1891.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if each deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, Sir, J. W. CROKER.

CIRCULAR No. 31.—S.

Admiralty, 23rd August, 1836.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 54, pages 387 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to discern whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intel-

lect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, dislocation, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846 and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

C. 1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem, and the corresponding pension to their widows, under the usual restrictions.

D. 2nd. An addition of 7s. 6d. per day to be given to applicants, by Seniority, from the 12s. 6d. and 10s. 6d. Half-pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110l. per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1l. List to be filled up, in turn of Seniority, by Officers then accepting the 18s. per diem; but no new admissions to the 1l. 5s. List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1l. 5s. per diem, and the remaining 75 1l. per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

B. 1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June, 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

A. 2nd. By awarding ten Retired Service Pensions, of 150l. each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will not be held in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER, IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals	21	(But not to be more than three Admirals of the Fleet at one time)
Vice-Admirals	22	
Rear-Admirals	42	
	<hr/>	
	85	

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL
OF 1st AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10s. 6d. Half-pay List when retired	18s. per diem.
If on 12s. 6d.	20s. „ „
If on 14s. 6d.. . . .	20s. „ „

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List. 2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—
If on the 10s. 6d. Half-pay List when retired, 18s. per diem.
If on the 12s. 6d. Half-pay List when retired, 20s. per diem.
If on the 14s. 6d. Half-pay List when retired, 20s. per diem.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.
4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18s. or 20s. a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16s. a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.
5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.
6. Captains who may arrive at their turn for promotion to the Flag List, without

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. 8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1851—continued.

148 REGULATIONS RESPECTING FOREIGN ORDERS, &c.

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services ren-

dered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to and wear Medals which, not being decoration of any Foreign Order, is conferred by a Foreign Sovereign on subjects in the Army or in the Navy, military or for naval services, shall be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may refer the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon which

which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

At the Court at Windsor, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz. :—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension

in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (*mutatis mutandis*), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine :

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

After the 1st January, 1888, no person will be eligible for a Commission as Lieutenant on the Active List in the Royal Naval Reserve until he has held a Commission as Sub-Lieutenant on the Active List of the Reserve for one year or upwards. And after the same date no person will be eligible for a Commission as Engineer in the Royal Naval Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commissioners (Chief Engineers, Lieutenants, and Sub-Lieutenants).

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 100 in number, and of the ranks named below, viz. —

(a.) Honorary Commissioners of the Reserve not exceeding 30 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 3 years, and who are not less than 30 years of age. Honorary Commissioners of the Reserve will rank with, but after, Staff Commanders of the Royal Navy.

(1.) For Honorary Lieutenants; Masters of Vessels actually afloat and in command, and possessing qualifications similar to the qualifications of the Lieutenants on the Active List, except that they must be above 45 years of age, and need not be in possession of Certificates of competency; and

(2.) For Honorary Lieutenants; Owners of seagoing pleasure yachts of 50 tons register or upwards, who command and act as Masters of their own yachts; and

(3.) For Honorary Lieutenants, Superintendents of Mercantile Marine Offices who have served as Masters in the Merchant Service; and

(4.) For Honorary Sub-Lieutenants; Deputy Superintendents of Mercantile Marine Offices who have served as Chief Mates, or who have attained a higher rank in the Merchant Service. Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy, and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been a day time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that List, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same rank as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the Army or by the character and length of their service, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Royal Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed skill in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

- (1.) Without rank; or
- (2.) On the Honorary List, with the rank they may hold at the time of their retirement; or
- (3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz. —

Commissioners, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers. — Instead of each stripe of half-inch lace round the sleeves of the coat, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the peaked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants 10s. a-day.

Sub-Lieutenants 7s. a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions

for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1866, in the words following, viz. :—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council from time to time, by Order in Council, to appoint such pensions as seem fit to Officers of Your Majesty's Navy, for the time being, entitled to the benefits of Greenwich Hospital, to be enjoyed by them so long only as they are not on the establishment, or inmates of Greenwich Hospital, but in addition to any half-pay, pension, or other allowance coming to them otherwise than under any such Order in Council, and to prescribe the conditions on which such pensions are to be held; and whereas we are of opinion that it would be expedient to award the pensions hereinafter mentioned to officers of Your Majesty's Navy, such pensions to be called 'Greenwich Hospital Pensions,' and to be paid out of Greenwich Hospital Funds. We do, therefore, beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following pensions being granted:—

"The Lords Commissioners of Your Majesty's Treasury have expressed their concurrence in the foregoing proposal."

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank ; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority ; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

They are to be subject in every way to the existing Regulations respecting leave. When landed for any specific purpose, with leave from the Commanding Officer, the duration of their absence is to be clearly defined. Any absence of a Servant on duty for his Master is not to be considered as leave.

As the Uniform of Royal Marines is not suitable to be worn when Men are attending at the Ward Room Table, or otherwise doing duty as Servants afloat or on shore, it is to be reserved for Servants to use only when performing military duties. Their Lordships are pleased to establish a special dress for Marine Servants, viz. :—

Blue jacket	} "Drill" may be worn in lieu in warm climates.
" waistcoat	
" trousers	
" cap	
Black neckerchief	

This suit of clothes the cost of which is not to exceed £2, is to be supplied annually at the Government expense.

In the event of a detachment of Royal Marines being disembarked for temporary service on shore, the Marine Servants are to accompany it, should the emergency be such as to require their presence.

The Commanding Officers of Ships are to give every facility to Ward Room Officers, to enable them to meet any inconvenience which this change of system may unavoidably occasion.

As only Trained Men will be employed as Servants, and their efficiency as soldiers will be maintained, they are in no way to forfeit their prospects of Promotion to be Non-commissioned Officers when they become eligible under existing Regulations.

By Command of their Lordships,
To all Commanders-in-Chief, &c. W. G. ROMANE.

BEARD AND MOUSTACHES IN THE ROYAL NAVY.

The Lords Commissioners of the Admiralty have had under their consideration the provisions of the Chapter 41, Article 43, page 336 of the regulations, forbidding the wearing of Beards and Moustaches by Officers and Men of the Fleet.

Representations having been made to their Lordships that it would conduce to the health and comfort of men, under many circumstances of service, were they to be permitted to discontinue the use of the Razor on board Her Majesty's Ships, they have been pleased to issue the following Regulations:—

1. Clause 43, Chapter 44, of the Regulations is repealed, and Officers and Men on board Her Majesty's Ships, including the Royal Marines when embarked, will in future be permitted to wear Beards and Moustaches.

2. In all cases, when the permission granted in Clause 1 is taken advantage of, the use of the Razor must be entirely discontinued. Moustaches are not to be worn without the Beard, nor is the Beard to be worn without the Moustaches.

3. The Hair of Beard, Moustaches, and Whiskers, is to be kept well cut and trimmed, and not too long for cleanliness. The Captain is to give such directions as seem to him desirable upon these heads, and to establish, so far as may be practicable, uniformity as to length of the Hair, Beards, Moustaches, and Whiskers of his Men; observing that those Men who do not avail themselves of the permission to wear Beard and Moustaches will wear their Hair and Whiskers as heretofore.

4. Officers of Divisions will take special care that the provisions of Clauses 2 and 3 are strictly attended to by such of their Men as may avail themselves of the permission contained in Clause 1, and failure in these respects is to be

considered as an offence under Article C in the Table of Summary Punishments.
5. Royal Marines on shore will follow the Regulations of the Army with regard to Board and Musterings.
6. Their Lordships desire that it may be distinctly understood that permission now given to wear Boards at 1

Musters is not necessarily to be considered permanent, and that if neatness and cleanliness are served this order will be revoked.
By Command of their Lordships,

CIRCULAR No. 32.—C.

Admiralty, 12th July, 1864.

(SEA SERVICE.)

By authority of Her Majesty's Order in Council of the 10th, 1864, the Lords Commissioners of the Admiralty to issue the following Rules and Regulations for the time being:

Definition of Sea Service.

1. Service to be defined and regarded in the case of Officers as time served in Her Majesty's ships employed on active service at sea, or in Her Majesty's ships actually employed in surveying, or in command of Her Majesty's Yacht.

2. Employment of an Officer in the following capacities only as time entitling him to increased pay

or retired pay, and not as sea service (except as provided in paragraph 3), such time to reckon in the proportions which have been or may be defined by Order in Council.

a. Harbour or Coast Guard Service in ships, whether at home or abroad.*

b. Coast Guard Transport and Packet Service on shore

c. Superintendent of a Dockyard.

d. Mail Agent or Transport Officer.

e. Surveying Coasts and Harbours in other than regular surveying Vessels.

* Her Majesty's Order in Council of 9th May, 1866, directs that such Captains as may have commanded, or may in future command, Harbour Ships on Foreign Stations, whether at the Island of Ascension, at Bermuda, the Cape of Good Hope, Jamaica, Hong Kong, or Rio de Janeiro, and who at the same time shall have had the superintendence and conduct of the duties of any one of the said Ports, shall be allowed to reckon the time so served by them as equivalent to time served in command of one of Her Majesty's ships.

As relates to Captains.

3. To qualify a Captain whose seniority brings him in turn for advancement to the active list of Flag Officers, he must have been borne on the books of one or more of Her Majesty's Ships as Captain four complete years during war, or six complete years during peace, or five complete years during war and peace combined, three years of such complete period to be sea service in command of one of Her Majesty's rated ships, as defined in paragraph 1; and the remainder, as the case may be, in command of a Coast Guard or Harbour Ship, or as Superintendent of a Dockyard, or in Transport duties afloat, or as additional for full pay on the books of a Ship in Commission for service afloat or for service in Naval Barracks. Officers who have completed the time required by existing regulations to qualify them for their active flag will not be subjected to this rule.

4. To entitle a Captain to count war time, he must have commanded a ship actually employed on active service at sea or a vessel actually employed in surveying, during war by Royal proclamation, unless otherwise provided for by special Order in Council.

5. No Captain will be eligible to command a stationary ship at home, or a Coast Guard ship, or to Superintend a Dock Yard, Victualling Yard, Naval Hospital, or Naval Barracks, who has not previously commanded a sea-going ship as Captain for three years.

As relates to Commanders.

6. The one year's service required to qualify a Commander for promotion to the rank of Captain on the active list, must be sea service as defined in paragraph 1.

7. No Commander will be eligible to command a stationary ship at home who has not one year's sea service.

As relates to Lieutenants.

8. The two years' service required to qualify a Lieutenant for promotion to the rank of Commander on the active list must be sea service as defined in paragraph 1.

By Command of their Lordships, C. PAGET.

PENSIONS OF COAST GUARD OFFICERS.

Chief Officers, Senior Mates, and Second Mates, of Her Majesty's Coast Guard Cruisers, who have entered the service subsequently to the 1st January, 1868, the date of the transfer of the Coast Guard Service to the Admiralty, will be entitled to the following rates of superannuation allowance:—

Rank of Officer.	Pension.	Maximum.	Widow's Pension.
Chief Officer	£100 a year, with an additional £5 for each year's service as Chief Officer, up to	£130	£50
Senior Mate	£82 a year, with an additional £3 for each year's service as a Senior Mate, up to	£110	£35
Second Mate	£62 a year, with an additional £3 for each year's service as Second Mate, up to	£100	£25

The same regulations to be followed in awarding pensions as in the cases of the Widows of other Officers.

to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

"Third, as relates to Lieutenants.

14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

15. That Lieutenants who have completed 15 years' service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the Order in Council under which they were respectively retired.

17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service, and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been and may be hereafter cases in which Officers on retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council: in order, therefore, to protect such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions hereon accordingly.

(Signed)

EDWARD HAMMOND.

2. The Pensions authorized by these Regulations cannot be claimed as a Right—they are granted as rewards for good and faithful service rendered by deceased Officers,—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which sail out from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer, or officers are to be observed.

With reference to inferior officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer or purser any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner the crews remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting

in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, boat, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other reward as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship, having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commensurate of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMANE.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1831

SIR,—My Lords Commissioners of the Admiralty having
had under their consideration a question relative to the
Freight Money to be allowed for treasure deposited on
board His Majesty's ships for custody only, have decided
that freight for such a deposit should be paid as if such
deposit were a conveyance from one place to another
within the same station, and shall be divided (where it
has been on board more than one of His Majesty's ships)
among the Captains as freight for conveyance would have
been;—in all cases, Greenwich Hospital is to have a share;
and where, after any such deposit, new bills of lading,
or new orders for conveyance, either on board another ship
or the same ship, shall be made, the freight established
for such conveyance by the Order in Council is to be
charged, over and above the freight which might be
already due on the score of deposit.

I have it in command from their Lordships to acquaint
you therewith for your information and guidance.

I am, Ac, J. W. CROKER.

GENERAL NOTES.—The Widows of Officers on the Reserved and Retired Lists only are entitled to the pensions applicable to the rank of their husbands at the date when they were last on the Active List, unless specially provided for in this Table. An exception, however, to this rule is made in the case of retired Captains when advanced to the rank of Flag Officers, whose widows are pensioned as the widows of Flag Officers. REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commission Officers of Royal Marines may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a Right—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established before her death, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatman, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon; provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Blame; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said

Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Field's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay; but by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pension, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pension.

8. The Pensions of Widows who shall have married prior to the 1st of December, 1860, shall be paid in full.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this our Proclamation, by and with the advice and consent of our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes,

rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers, commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our

him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

- The drawer's wife;
- " father or mother,
- " son or daughter,
- " brother or sister,

the payee being so described in the order.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife

or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorize the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,
W. G. ROMANE.

Admiralty, 4th June, 1831.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that Freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as Freight for conveyance would have been;—in all Cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the Freight established for such conveyance by the Order in Council is to be charged, over and above the Freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

(INSTRUCTIONS FOR THE EXAMINATION OF OFFICERS, MEN AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 54, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to inquire whether he has any marks of wounds, or injuries of the bones of the head, whether his sight, or hearing is defective, whether he is deformed, lame, or has any impediment of speech, or weakness of inte-

lect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no external appearance of unfitness, he is to be directed to dress himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire external surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, dislocation, or disease of the bones of the head, nor ulnar or carpal disease, that the eyes are clear, intelligent, and expressive of health, the eyebrows good, and the hearing perfect in both ears, that there is no defect

THE VICTORIA CROSS.

VICTORIA R.

As, We, taking into Our Royal consideration that there is no means of adequately rewarding the individuals for services either of Officers of the lower ranks of Our Naval and Military Service, or of Warrant Officers, Seamen, and Marines, in our Navy, and Commissioned Officers and Soldiers in Our Army, and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the award of medals, both in our Navy and Army, is only given for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, we are alone excepted where a general medal is awarded for a particular action or campaign, or a class of medals for some especial engagement, in both cases all share equally in the boon, and those whose valour have particularly signalled themselves remain undistinguished from their comrades. Now, in the purpose of attaining an end so desirable as that of giving individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Successors, institute and create a New and Military Decoration, which We are desirous to see highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and to be justly pleased to make, ordain, and establish the rules and ordinances for the government of the said Decoration shall from henceforth be inviolably observed:

I. It is ordained, that the distinction should be designated "the Victoria Cross," and shall be a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an scroll, bearing the inscription, "For Valour."

II. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and a red riband for the Army.

III. It is ordained, that the names of those upon whom the Cross may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry kept in the office of Our Secretary of State for the Colonies.

IV. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, for which he had not received such Cross, would have claim to it, such further act shall be recorded by a clasp to the riband by which the Cross is suspended, and every additional act of bravery an additional Bar added.

V. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the face of the enemy, and shall have then performed some special act of valour, or devotion to their country.

VI. It is ordained, with a view to place all persons on an equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor any other circumstance or condition whatsoever shall be a bar to the merit of conspicuous bravery, shall be established a sufficient claim to the honour.

VII. It is ordained, that the Decoration may be awarded on the spot where the act to be rewarded by the said Decoration has been performed, under the following circumstances:—

1. In the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the force in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer command-

ing, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the

same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twentieth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PATMUR.

CIRCULAR No. 11.—C.

Admiralty, 19th March, 1900.

HUMANE SOCIETY'S MEDALS.

The Royal Humane Society having made arrangements for reducing the size of their Medals, in future,—in order to admit of their being worn,—and for granting Clasp and Bars for subsequent acts of bravery, in cases where a Medal

has been already granted,—my Lords Commissioners of the Admiralty are hereby pleased to notify to the Officers and Men of Her Majesty's Navy and Marines their permission to Officers and Men to wear such Medals and Clasp when awarded by the Humane Society.

By Command of their Lordships,

W. G. BARNARD.

To all Commanders-in-Chief, &c.

NATIONAL LIFE-BOAT MEDAL FOUNDED IN 1824.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

The plan of Retirement, published in the London Gazette of 1st Sept., 1846 and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such applicants from the 14s. 6d. Half-pay List as may be willing to accept it, with the pay of 1l. 5s. per diem; and the corresponding pension to their widows, under the usual restrictions.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

(Further promotion to this List is abolished by Order in Council of 1st August, 1860; but Commanders who have been promoted to the Reserved List of Captains under the Orders in Council of 25th June, 1851, and 30th January, 1856, will be entitled to increase of Pay, on the same scale as Commanders retired with the Rank of Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10s. 6d. Half-pay List when retired	18s. per diem.
If on 12s. 6d.	20s. " "
If on 14s. 6d.	20s. " "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 30s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1862.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10s. 6d. Half-pay List when retired, 18s. per diem.
If on the 12s. 6d. Half-pay List when retired, 20s. per diem.
If on the 14s. 6d. Half-pay List when retired, 20s. per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 20s. per diem, subject, however, to the proviso contained in paragraph 3.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 3. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire at the rate of 18s. or 20s. a-day, according to their standing, provided they shall have served at sea in the ranks of Lieutenant, and of Captain, a complete period of fifteen years, and, if 1 a-day. Such Officers to be allowed their standing, subject to the proviso.

5. A limited number of Captains who are not desirous of further employment, of Admiralty, to retire on the foregoing. When the Active List of Captains shall be reduced to 300, no Captain shall be eligible for retirement to take place.

6. Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 30s. per diem.

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25s. per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20s. a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.
